

## What is the “ Academic Transition Support Program ”

The Academic Transition Support Program is a supportive program for children who are starting elementary school. We provide supportive services, to ensure that children can enjoy their school life with peace of mind. The following is the list of services we provide

We can share children's personal profiles\* that contain information such as their characteristics and special needs directly with schools or any other relevant facilities (\*Personal profiles may include the Life Support Plan Map page, as well as other documents and information)

### Profile Sharing

If necessary, we are able to consult with the relevant stuffs\* in-person regarding your children's situations.

(\*Relevant stuffs refer to associates of schools, kindergartens, or care centers, etc.)

### In-person Consultation

For inquiries regarding the Academic Transition Support Program, please consult with

**Sagamihara City Disabled Citizens' Center Yoko-en.**

**☎042-756-8435**

Parents who wish to do so may contact the Youth Consultation Center for a counseling meeting before school starts. Ensure your children a smooth transition to their new schools with the help from education counseling.

### Education Counseling

### <Youth Counseling enter>

The Youth Counseling Center regularly dispatches "Youth Education Counselors" to elementary and junior high schools in Sagamihara city to provide consultations for children/students. Counseling is available not only for children but also for their guardians.

### <About the Documents and Explanations for the Academic Transition Support Program>

We have posted a video explaining the required documents and other details about the program. Please search for "Academic Transition Support Program", or "就学移行支援" on the Sagamihara city's homepage.

For inquiries regarding the program, please contact Sagamihara City Disabled Citizens' Center Yoko-en.
